2026 – 2027

SCHOOL INTRODUCTION

At Kingston Hill Prep School, we believe that every child deserves the chance to flourish. Success is celebrated, curiosity is nurtured, and a positive, supportive culture underpins everything we do. Our children are encouraged to shine in their own way, guided by inspiring teachers and role models who help them grow into confident, capable, and caring young people.

Choosing Kingston Hill Prep School is an investment in more than education; it is an investment in a child's happiness, curiosity, and character. Here, children are not only prepared academically but are guided to become thoughtful, resilient, and engaged citizens of the future.

ABOUT SCHOOL

Kingston Hall Preparatory School is a non-selective independent co-educational school offering nurturing education for children in their early years and primary education.

1 Our child-centred ethos places happiness, safety and wellbeing at the heart of school life, creating an environment where pupils feel confident and eager to learn.

2 We follow a progressive approach, tailoring learning to individual needs and encouraging curiosity, creativity and critical thinking through an integrated curriculum.

3 Strong partnerships between school, home and community are central to life at Kingston Hall. Staff work closely with families to support each child's academic, social and emotional development, ensuring they are prepared for the next stage of their educational journey.
